MICHELLE

"Need help packing?" Isn't that the most patronising question an able-bodied man can hear in a supermarket? But here's a girl we'd like to unload our bags all over – the marvellous Michelle, a dolly who should really have a shopping trolley to cart round her FF-cups. "I hate traipsing round the shops," purrs the Sheffield stealer of men's semen. "Unless it's to load up on porn mags, dildos and booze! My local newsagent should do a loyalty card!"

Tied frottage

My husband's favourite pastime is to blindfold me, tie me up and torture me with his tongue and todger.

He takes ages playing with my tits and licking my cunt. Then he fucks me senseless for ages and I enjoy climax after climax.

He always seemed to fuck me differently every

at work, I was tidying up when I found three tapes hidden behind the couch. Curiosity got the better of me, and I put one on.

There I was on the TV, naked, tied and blindfolded on the floor. But it wasn't my husband playing with my tits, licking my cunt and fucking me.

It was a complete stranger enjoying my body. I put all three videos on and watched as complete strangers made me cum over and over again.

No wonder my husband was rampant at bedtime, as

it was not him fucking me downstairs. I watched in amazement at the videos.

It was a real turn on - I had never felt so horny. I played with myself constantly as I watched the videos.

I haven't told him I know yet - I'm happy to fulfil both our fantasies at the moment!

My girly holiday this year was a sextravaganza! It was good to get away from my annoying boyfriend.

One day we were chilling out on the beach when we got talking to a group of surfers. They were a laugh, and we got asked to their barbecue. When I arrived, one of the lads, Lou, came running up - we'd been flirting earlier on and now just grabbed me for a snog.

It felt so good, just lounging by the fire, drinking beers, talking and kissing. I was maybe a bit too honest, moaning about what an arsehole I'd been dating. "So basically you're just using me to get back at him?" said

up, and when I hit a spot – like stroking down his spine – he'd just stick his tongue further down my throat and rub up against me even harder.

When he rolled us over so I was on top, his hands kept moving onto my bum. My tits were right in his face, but I had to feed them into his mouth before he sucked them, and even

then he was more concerned with my arse. He was playing with my cheeks, fingers creeping closer to my crack. He wasn't even that much into

me even more mad. I tried to rub myself off against his shaft, but it wasn't enough.

Finally, he asked me did I want to fuck. I asked him which hole. He obviously

Lou. "Do you really give a shit?" I asked and we just snogged again. I realised there was more to it than that – Lou was fun, chilled out and seriously fucking fit.

We found this deserted spot in the dunes, around the bay from the party.

I lay back on the towel we'd brought, Lou undressing me and himself. Feeling his hot, muscular body pressing down on mine made me feel hornier than I'd done in months. We took our time, just kissing and feeling each other

just the tip at first, then when I moaned into his mouth he slid it all the way in.

He had a lovely big cock on him, so long and hard it was flat up against his stomach, almost touching his belly button. I didn't take it inside yet, just rubbed myself along it so the length of it was resting against my slit. The

hadn't expected to get quite that lucky, but he kept his cool and said, "Your arse, if you're up for it."

I told him OK, but to take it slow and easy, which he did. He spent ages over drenching his cock and arsehole with my cunt-cream, till they were both wet and slippery.

It was hard to take him up

as he fucked in so deep his balls were rubbing my cunt lips – he spunked his load up my arsehole.

A bloke who knows exactly what he's doing when it comes to anal is the top of my wish list. And if he happens to have a nice big dick as well, I'll be happy!

DEAR JULIA

Dear Julia

Good to see Anna again in vol 33 no 6. Always such a cheeky grin on her cute face and a fantastic piece of fanny flesh – great wanking material! But why do we never see a shot of her with those luscious lips spread? Please let's see some pics of Anna's fanny with her labia held wide open in "butterfly wing" position. Alex, Milton Keynes.

Julia says: I'd say she was shy but I had drinks with Anna after the shoot. There were more batwings over my face than in Dracula's castle.

TRUE BLUE

What's the best thing about being a porn star? All the filthy fucking of course, as Brit hottie, Samantha Bentley reveals...

Interview by Rose Crompton

There are many reasons why I enjoy being a porn star – the travelling, meeting amazing people – but the most obvious is that I love having sex.

I've always been an exhibitionist and I liked the idea that I could be famous for fucking. Starting out four years ago, I was only doing solo stuff. From there I moved on to girl-girl and in the last year I decided to do hardcore shoots with guys.

What changed my mind was seeing a girl-guy scene being shot. I was on set for the Harmony film, *Brooklyn Lee: Nymphomaniac* and met performer Ian Tate. I watched him do a DP scene and I remember thinking, yeah I want to do boy-girl and I want to do it with him.

A few months later and it was all set up. My first hardcore scene was about to happen with Ian Tate. The thought of having sex on camera was exciting, but I was so nervous too. Ian arrived while I was having my make-up done. He came downstairs and when I saw him I remembered how badly I wanted him.

By the time we got to shooting there was all this tension that had built up. It was on one of the Harmony porn film vacations in Scotland, so I had about 30 people watching my first boy-girl scene. Originally, it was meant to be straight sex, but what made it even more exciting was that it ended up being anal!

While we were doing it, I turned round to Ian and shouted, "Fuck me in the arse!" It was so impulsive! It's easy to get caught up in it all, especially if you're attracted to that person and desperate to fuck them, but you have to take the camera and everything else into consideration, which takes it out of the ordinary. I made sure my first hardcore scene was how I wanted it to be – I knew I wanted it to be for Harmony, I knew I wanted Gazzman to direct and I knew that I wanted it with Ian. That made me feel good about it and made me want to do more.

Now I've got about 100 films to my name – I work hard! – and I've become much more experienced, although I do still get caught up in the moment and have to be reminded to 'open up to the camera'. I like to have passion and lust with whoever I work with. Even if I don't particularly

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

fancy someone I can find something attractive or hot about them that makes me want to fuck them. I always want to put in a good performance and for it to look passionate and be intense.

When it comes to getting ready for a scene, helping to warm someone else up gets me turned on too. With girls – and I say this with love – a lot aren't actually into girls. Whenever I go to set and I'm doing girl-girl, I always make an effort to give the girl a kiss and say hi. A lot don't do that, which I find very strange considering you're about to have sex. I genuinely like girls – I could eat pussy for days!

With guys, I'll let them have a little grope before and I like to be generous with guys. I don't believe that as soon as the cameras are off that we should stop touching. I'll help them out by giving a blow job or letting them fuck me a bit longer. For a guy it's really hard. You have to keep wood with all of this stuff going on and between position changes. If they see that you're into it more, then that helps them and I'm happy to do that.

Easily, my favourite male performer that I've worked with is Rocco Siffredi. Everyone knows who Rocco is and I don't care how cheesy it sounds, but I totally fell in love with him.

Before the scene I asked Rocco if there were any dildos I could use to warm my arse up with. Rocco said, "Yeah, yeah, come with me," so he led me into a room and closed the door. I'm looking for dildos and then he suddenly grabbed me, threw me on the floor and savagely fucked my arse. He was like, "Now you're warmed up." I fell in love with him then and there. Rocco wanted to film with me and booked me again for the next day so that he could fuck me. When we did our scene I've never had such a connection with anyone like that. It was so passionate and rough as fuck – just how I like it.

My next big career ambition is to start directing. Eventually I'll have to retire from performing and I want to stay in the industry because I love it. As a director I think I'd do a lot more kinky stuff, but with a glamorous edge.

See more of Samantha at www.badbentley.com and in her latest film *Samantha Bentley Is Filthy*.

We'd prefer it if Anna was the one to burst our pipes and flood our bedroom with mucky fluids, but you can't have everything. "I love to make my home beautiful," she says. "And then get shagged rotten in it!"

REAL WIFE SEX

Housewife Caz gets deliciously dirty behind her husband's back with not one but two randy boyfriends

Caz,
Birmingham

→ I WAS THEIR slut on the side

For the first five years of my marriage, I was totally faithful. So nobody was more surprised than me when I ended up with two bits on the side! I think once the first one happened, I didn't see the point of denying myself a bit of fun with the other bloke.

The first of them was Jason, a lad who used to date a friend of mine for ages. I always viewed him as her boyfriend and not really a sexual being during that time, but when he chatted me up a while after they split, I realised I'd always sort of fancied him. It wasn't that I wasn't getting on with my husband either, just that he took me for granted.

Round at Jason's the first time, I was really giggly and shaky, wondering what the hell I was thinking. It wasn't like he was anything special to look at, not compared to my other half anyway. But he took ages over licking me out – normally I might get a few laps just so my husband felt justified in asking for a blowjob, but he'd never made me cum that way.

Jason also used sex toys on me – I'd never even tried those before because my husband wouldn't have understood. They were left over from Jason's time with my mate – he said she'd bought herself a super-deluxe vibrator on his credit card as a "splitting up" present to herself, and he didn't begrudge her that. Well she needed something to fill the gap he'd left!

The first time, he just pulled a vibrator out from under a pillow – I was already in a right state from what he'd done to me with his fingers. I just heard this buzzing

noise and while my head felt, "I'm not sure..." my body just felt electrified from the second he touched my clit with it, playing it gently along the side and on top until I was thrashing all over the bed in total ecstasy.

It was a different sort of cum from when he brought me off with his tongue or fingers, but just as incredible.

He liked using it on my clit when he

sometimes he knew what I wanted better than I did myself, and just carried on, really pushing me past my own limits.

One side-effect of sexual satisfaction was this "glow" I now had, that attracted men, and I also had the confidence to say yes when another bloke came on to me. Jason was cool about it when I told him – well, it didn't stop me fucking him. In fact he really got off on the idea.

had his cock inside me, making me hump and spasm and just fuck like crazy against him. It was like he was switching me on as well as the toy. Sometimes I'd gasp for him to stop because I couldn't take any more, but, while he always seemed to know if I really meant it,

One evening I'd finished work early so I could sneak round to his for a dirty hour or so, and he told me to ring my other lover, Greg, and say I was coming over to his for a session. He liked the idea of Greg fucking me and thinking I was really wet for him, when the truth was my cunt

We arranged for me to be the filling in a sex sandwich

would be sloppy with Jason's spunk.

What he didn't bargain on was Greg being just as horny for me fucking other blokes. I may have been deceiving my husband, like he cared, but I was totally honest and open with my two bits on the side! And before long, we arranged for a threesome, with me the filling in that sandwich.

We decided it should be at Jason's place, and I went round there a couple of hours before Greg was due to call. I won't say that Jason was possessive exactly, but he was really desperate to fuck me up the arse – I'd never done anal with Greg so it was like Jason was trying to get one up, no pun intended!

He certainly owned my arse in that hour

or so! I was crouched, bum in the air, with a vibrator on my clit – I just find it easier to take a length up the back door when the sensation's focused on that sweet little spot. Not that Jason's prick didn't feel as huge as ever, sliding in and prising my arsehole open for a good fucking.

He took it slow, because we had ages yet, holding back as I frigged and vibed myself to orgasm after orgasm. He stayed so calm, I thought he'd never cum off, but suddenly there it was – no fast thrusting, it's like it all boiled over and suddenly his spooze was flooding out into my arse.

That kept me satisfied for a while,

settle up

We recently celebrated our silver wedding anniversary and my husband Phil booked us a cottage in Settle for a few days as his present to me.

The evening before our anniversary we went out to a local pub and I dressed up in my miniskirt, stockings and suspenders.

The pub was quite busy but I found an empty table and sat down while Phil got the drinks in.

guys a good view of my stocking tops, bare thighs and the fact that I wasn't wearing panties!

The next morning, I got ready to do a photo shoot in the woods leading up to the crag at the back of the cottage where we found a secluded spot.

After putting down the travel rug, I started going

He asked me to get on my hands and knees with my bum high in the air and my legs spread, facing towards the bushes. Then he got

HE TOLD ME A GUY WAS WANKING IN THE BUSHES OVER US.

a spare stocking out of a bag and said he wanted to blindfold me, like we had fantasised about sometimes in bed, so I went along with it and I was soon gasping as he pushed his finger into my tight bum hole while playing with my clit.

Then Phil told me a guy was watching from the bushes and wanking his big cock. I thought it was all part of his fantasy so I said: "Ooooh, how I would love his big cock up me!" Phil called out: "Come on Chris, she's ready for you."

Then, stretching my

I gasped out loud at the thickness of it and started to protest but

I soon noticed two guys in their late fifties sat at a table across from us looking at my legs, so I teased them by crossing and uncrossing my legs. Each time my skirt rode up further until my stocking tops were on show.

I was getting fruity and after a few more drinks I suggested an early night to Phil, so we rushed off back to the cottage but not before I had given the

though my repertoire of poses while Phil snapped away with the camera.

Once we had finished, Phil got me to use my dildo and I was soon getting very wet as I plunged it in and out of my open fanny.

Phil kept snapping away with the camera but I also noticed that he kept looking at some bushes just behind me and I'm sure I saw him

CONTACT ME

Phil said for me to enjoy it, as it was a surprise anniversary present.

Soon I was gasping with ecstasy as Chris started to pump into me with long hard strokes while Phil played with my clit.

I started shaking and sobbing as strong orgasms flooded my entire body and Chris pounded me with his lovely big cock. Soon, he stiffened even more and then flooded my willing pussy with

a big load of spunk.

As his cock shrank inside me, he pulled out and Phil said I would lick and suck it clean for him.

So Chris stood in front of me and I took his cock in my hand and started to lick the cum off his bell-end.

Being blindfolded made it even more erotic as I sucked him back to full erection while Phil lapped away at the spunk running out of my cunt. I sucked Chris off till he spunked down my throat while Phil fucked me.

Phil removed my blindfold and I recognised Chris as one of the guys I was teasing the previous night. Phil had arranged it when I had gone to the toilets in the pub.

I can't wait to see what he comes up with for next year's anniversary.

COUP DE TWAT!

Cutie Kacie's back for another tour of booty in Escort magazine. The girl who makes our privates stand to attention launched a tits and bum offensive in honour of our brave boys in the services around the world. "If I could show you all my appreciation in person I would," she sighs, spreading her legs for readers' target practice. "But I hope these nudie pics of me will keep your cocks stiff instead!" Not half – now we're the ones who're fatigued!

SEX WITH ALL THE STRINGS

Daisy Blade suffers a rude awakening, every morning. It's cock without the doodle-doo

This month has been a tiring one. Mr Boyfriend has been working night shifts. I'm not tired because his working/sleeping patterns are weird, but because when he works night shifts he turns into The Horn Monster.

Like some weird Jekyll and Hyde transformation, when working nights Mr Boyfriend goes from compassionate, takes-his-time, gentle lover to complete sex pest with an insatiable libido. Despite rolling in early morning after a 12 hour shift, once he's had a quick shower and before I've even had a morning coffee, there's a leer in his eye and something firm prodding me between my legs as I blearily come to my senses. Oh, he's home.

The problem begins on his journey back from the office. He's explained to me that after three or four consecutive 12-hour night shifts everything starts to get a bit surreal. It doesn't help that he has to commute home during the London morning rush hour. Sitting on the bus, he gets this internal monologue, a bit like that character JD from TV show, *Scrubs*.

Now, I'm aware I'm about to make Mr Boyfriend sound a bit crazy, but given the circumstances I think we can be slightly forgiving and not jump to the phone book to call the nearest mental health hospital to get him sectioned.

From what he tells me he basically turns into a total lecherous man. His internal monologue voice is that of a grizzly, older Cockney man. If he had an appearance he'd have stubble, a squinty eye, a bit of a limp and would rub his thighs frantically in the way Vic Reeves would to Ulrika Johnson on *Shooting Stars*. He'd go after the girls, arms open, shouting: "Awright darlin'. Cam an' gis a nice hug; ya sexy little minx... grrr." Total sex pest.

At that time in the morning there are lots of pretty women on the

bus for his internal monologue to lech over. They're all on their way to work in the City, smartly dressed, with high heels and stockings with perfectly applied make-up. It's no wonder he rocks up at home with a fecking stonk-on, because for the last 12 hours he's been sitting in front of a computer screen looking at boring old data. It's pent-up horny overload once he leaves!

Obviously, I love my boyfriend and I love sex, so I'm not going to deny him. With all the subtlety and romance of a porno storyline – "I've come to check your pipes. Oops, I slipped and fell into your pussy," – he carefully climbs into bed and wakes me up by rolling me over. For a moment he pretends to be interested in nuzzling my neck the way I like. The fact that his cock has already found its target and couldn't wait another 20 seconds so I might have some sort of chance to get aroused, is the give away that he's only after one thing.

The sex is frantic, sometimes a bit rough – just the way I like it –

Well up for it

and always leaves us both panting and knackered by the end of it. Well, coming hard before your cornflakes generally takes it out of you. Doing it four mornings out of seven, every week (I

did say he was insatiable), leaves me feeling very satisfied in the orgasm department, but I've worked out that I lose about 20 hours of sleep per month. No wonder I'm tired too!

The kicker in all of this is that afterwards the Horn Monster, that was so intent on fucking me a moment ago, recedes. It's replaced by a sleeping and very satisfied looking puppy. He's out for the count, catching up on a good eight hours. I, on the other hand, have only just started my day and must drag my arse out of bed. Methods to tame the Horn Monster in time for next month would be very welcome.

A woman in Wigan responded to one of my ads on a casual sex site – she said she was interested

FRANCINE, WIGAN

in my dick measurement as I said I was quite well hung.

I drew around it stiff, scanned it and sent it back via email. She got right back to me with a naked picture of herself, and she was

through dinner and headed to the B&B.

We signed in as Mr and Mrs Smith, which we both found funny, and went straight to our room. Francine – which was this babe's name – told me to sit on the bed and watch.

She slowly and seductively stripped for me, all the time telling me how much she

wanted to feel my cock embedded in her pussy.

She wouldn't let me touch her yet though! Soon she was down to just bra and panties – I couldn't wait for her to be fully naked and

When my cock was finally released it was a relief – but not as great as feeling her warm, wet lips close around my helmet as she slowly took my cock into her mouth.

She bounced her head on my cock, and tugged at my balls, so that I could tell that she wasn't going to stop. She kept going until I jizzed over her tongue and lips.

She got off the bed and bent over the back of a chair. I knew what I had to do, and my cock was up for more. I hardened myself up again by rubbing my cock over her wet pussy lips, and when I was stiff enough I sunk my

cock in to the nuts!

I started to fuck her, and found that she liked to control the pace. She started really slow at first, ever-so-slowly building up pace. I dug my dick in deep as she wanted it fairly hard.

We stayed at a good steady rate for a while then she pushed back harder and faster, so I let it all out and banged her for all I was worth. I was rewarded with her cunt squeezing my cock hard as she came, but she kept the pace up all though.

We swapped to missionary position on the bed

and again she controlled the pace. Soon we were up to speed again and I could feel my jizz boiling up for a second go! I held it back as she came again. This time, I could see she was spent for a while so I pulled out and sprayed her with another helping of jizz!

The next morning we fucked again instead of having breakfast, agreed never to meet again and went our separate ways.

Mike, Notts.

REAL WIFE SEX

Caz's story continued from page 19

however he pleased.

Jason made sure my excitement levels didn't fade. He used a vibrator on my crotch, but never where it might make me cum. One time he squeezed my pussy lips together, so they enclosed my clitoris, and used the vibrator over them. I felt a low, dull buzz – enough to wind me up but not to get me off.

Greg's eyes almost popped out of his head when he saw me, and Jason "forced" me to confess out loud how I'd "already taken one up the arse, but really needed a hard prick in my pussy now". That made me feel even more deliciously dirty.

Greg was just in the mood for some rough and ready

because he decided then there'd be no more fucking until Greg arrived. He was joking about how Greg would get to shag my "virgin pussy", and said maybe we should make sure I behaved myself. I didn't know what he was getting at, but then he got these bondage cuffs out of the bedside cabinet.

My mate had mentioned getting kinky with him a few times, although it had never happened with him and me up till now. He made it clear it was totally my choice, but I knew I could

**He enclosed my
clit in my pussy
lips and vibed it**

trust him. And I thought how horny Greg would get, walking in and seeing me spread out in front of him like some kind of fuck-picnic, with my so-called "virgin pussy" open, lush and ready for him to fuck

fucking, and got in between my thighs, banging in hard. I wanted Jason to use the vibrator on me, but instead he looked after himself, wanking his dick over my face, just out of reach of my mouth. "Want a little suck on it?" he said, teasing me. "Well, you can wait."

In the end I didn't need a toy. Greg paused, thumbing my clit as he got back in control, and he kept rubbing me as he fucked to his vinegar strokes. Jason let me enjoy the feel of Greg cumming inside me, then unleashed his own load which splattered all over my face.

That's just the start of what we got up to that night, before I reluctantly tore myself away, necked a vodka and orange so my husband would smell it on my breath and be convinced I had actually been on a "girls' night out"! Back at home, I just flopped into bed and my husband joined me about an hour later, after the DVD he'd been watching finished. I do love him, but left to him I wouldn't have got any that night. Underneath our sheets, my pussy was hot and throbbing from two other men's cocks...

The sub way

At a swingers club in South London, my husband and Master, Russell, ordered me to remove my blindfold. I was kneeling in the centre of the room and round me in a circle were five of the guys we'd met earlier. They were all naked, and all had hard-ons! "Suck the cock in front of you," Russell commanded.

I crawled forward and took the erect prick to my front into my mouth. My pussy began to gush at the thought of possible having the attention of five men! I sucked on the cock for all I was worth, wanting to please my Master Russell.

"Move to the man on your

right," he ordered. I did as I was bid, and went right to the next man.

Just as I was getting into giving head to this guy, another

on and placed the new guy's dick between my cleavage. I bobbed up and down, ensuring that as much tit-flesh as possible was in contact with his cock. On his up stroke I licked the tip of his dick – I love giving tit wanks! I wasn't allowed to enjoy it for long though. "Enough of that! Suck the next man."

I did as I was told and eagerly – as I wanted to please the Master – moved on.

"Time for you to get what you deserve!" Russell said. The thrill of

FIVE OF THEM SHOT THEIR HOT JISM ON ME

command interrupted me. "Suck the next bloke!" I went to the right around the circle once again, and as before sucked this guy's cock into my mouth.

Soon enough I was stopped by a new order: "Move on to the next guy and tit wank him!" I moved

his tone of voice sent shivers through my pussy – the idea of sex as a punishment for me being 'bad' is such a turn-on for me! "Get on all fours." I did as I was told. I felt a cock press against my pussy and thrust inside. The guy in front held his dick for me to suck. "You may suck it!" Russell allowed.

Drama Cream

I'm a final-year drama student, and recently, I got cast as a total bitch in a play. Too bad the test audience at the dress rehearsal's feedback was that I was 'unconvincing' at times!

I got home in a right snit and got tea and sympathy off my housemate, Dave. He'd always had a bit of a crush on me so I expected him to tell me I was a brilliant actress and the audience didn't know shit. But he said, "To be honest, I can't see you in that

role." Weirdly, that was what I needed to hear to help me unleash my inner bitch!

I really laid into him, asking who the fuck he thought he was. He looked shocked, then said, "That's it – now if you can use that for the play..."

I grabbed him in a clinch, still trying to hang on to bitch mode. There was no sex scene in the play but I improvised! I had him on the couch, snogging him slowly, one hand positioned to frustrate his attempts to feel up my boobs, the other unzipping his flies.

I started playing with his cock, working it to stiffness.

couldn't slip inside me even when I was cumming over the tip of it.

It was hot and pulsing against my palm, and he groaned out loud when I finally put him inside me, squeezing around him so he could only slip in little by little. I was so wet it was trickling out of me, but so tight as well, swollen and tender from my orgasm.

Once he was all the way in, I started to ride him, gyrating around as well as bouncing on

Somehow, he managed to answer, "Yeah... on her own terms."

I could have ridden him but I got on all fours, arse in the air, both holes open to him. After he'd lubed my bum and his prick with lotion, he slipped in, inch by

HE PLUGGED MY ARSE WHILE I FRIGGED MYSELF

Then I got up like I was about to leave him in the lurch. Now he looked convinced, but I padded back over to him, and stripped off.

I used his prick to bring myself off, rubbing the head of it up against my slit, hand wrapped around it so he

his prick. I reached back to tickle his balls, then leaned forward to ask him – tits squashed up against his chest – if he reckoned a total bitch would take it up the arse.

There I was being fucked from behind while sucking another cock, with three other blokes around me, wanking over me!

I could feel that I would cum pretty soon, but the Master had other ideas. He barked some instructions and the guy fucking me switched places, and the guy I was sucking switched too.

Almost as soon as the new cock was in my cunt I was cumming though – I couldn't help it. My moans were muffled by the cock stuffed in my mouth, but Russell knew what I done. "For that you'll take your punishment like the disobedient slave you are!"

CONTACT ME

I knew what was to come, and loved the idea. One by one the guys shot their hot jism

over me – over my whole body. My arse, my tits, my face – even in my hair! My Master is good to me!

At home, he commanded me to pleasure him, and even though my cunt was a little sore I could not refuse. Why would I want to?

Hannah, London.

Pamper Pumper

Recently I went on a midweek break at a spa, with my girlfriend Chloë.

There was a swimsuit rule in the steam room, but as she stripped me off, she said being caught starkers would be the least of our worries if someone walked in on us!

We were dripping wet within seconds, with fresh, clean sweat that made our naked bodies feel so slippery, Chloë's hands sliding all over my tits as she snogged me. Then she felt her way down, easing them under me to cup the cheeks of my arse as I splayed my thighs.

Even I got a waft of my own pussy scent, so it must have been full on for her as she knelt in front of me, burying her face in my crotch. The

of the little treatment rooms, and bolted the door behind us. Then she dropped her robe to show she was naked except for a strap-on!

She spread a towel on

SHE WAS NAKED EXCEPT FOR A STRAP-ON

moisture was dripping down my body, over my clit, as her tongue rimmed over my labia, then jabbed inside. Then she started fingering my nub, fast and slippy but with the salt from our sweat giving more than enough friction.

Knowing anyone could catch us made it all the more sexy, and I started cumming so hard and so fast. My back was

top of the massage table and bent me forwards over it, rubbing her smooth body against my back. A little shiver went through me as her fake prick brushed against my inner thighs, then she pushed it into my cunt and began to fuck me.

She was ploughing me so hard we didn't need steam to work up a sweat, then as we heard a knock on the door she tensed, and started fucking me even harder and faster. My snatch was already stretched and throbbing, then she reached round under me to give my clit a tickle. I grabbed a corner of the towel and stuffed it in my mouth, gagging myself as I screamed with pleasure.

We walked out bold as brass, Chloë telling the rather annoyed masseuse waiting outside that I'd felt a bit faint after too long in the sauna. If she'd only know what was bobbing about underneath that robe, still coated with my juices...

pressed against the hot, wet tiles and I almost slithered off as Chloë brought me to a massive orgasm.

Next, she led me off to one

inch, his big cock opening me right up.

As he started fucking in and out, I told him to stop, plug my arsehole and stay still, while I frigged myself to a cum. Then I told him to do me slowly, forcing him to pace himself.

When he finally hit a climax it was really intense, fingertips digging into my

hips as he filled my arse with jizz. I slipped out of bitch mode for just long enough to let him enjoy it, then went off to bed, telling him he wasn't worth an all-nighter.

We didn't talk again until the night of the play, when I nailed the part. I nailed Dave too, out of gratitude for my good reviews!

Kate, Bristol.
